George,

We want to follow up with you on the status of the Chinatown BID renewal timeline. As of today, April 22, 2020, the Chinatown petition drive is at 19.21%.

In order to possibly make the County's 2021 tax rolls, the BID must meet the following deadlines and deliverables (see attachment for additional details).

- Enough valid petitions to reach the 50% threshold must be submitted by May 20, 2020.
- Our team will then need to verify the petitions and upload the Clerk Report and OOI to City Council by May 27, 2020.
- An OOI would *tentatively* be scheduled for consideration by Council on June 3, 2020 and the final public hearing scheduled on July 29, 2020*
- Meeting this schedule may allow you to make the tax rolls. **Please note that our Office will not direct bill property owners.**

***Due to the ongoing COVID-19 crisis, City Council meeting dates are subject to change and are now subject to a variety of factors beyond the control of this Division. As such, we cannot guarantee that these renewal options for Chinatown or the other BIDs also renewing can take place in a timely manner.**

Do not hesitate to contact us should you have any questions.

Best,

Eugene Van Cise

Let's see if Jose Rodriguez is available for a quick chat about this today at 1030. That is my closest available time, between meetings.

Thx

Let Chris and I know if he gets back to you.

Patrice just wants the Council office to be completely aware of Chinatown's situation.

Thanks.

Hi Hugo and Jose,

I just wanted to make sure that you all were both fully aware of the current situation with the Chinatown BID renewal effort.

You may have already received this but the information in the email to the BID forwarded below is current and accurately describes what we need and what needs to be done in order for the Chinatown BID to successfully renew for 2021.

If you have any questions, my supervisor and I will have some time after 1 pm today (4/23) to speak with you about any of this.

Please let me know.

Thank you very much.

Hi Rick:

Appreciate the heads up. In our last communication with the BID, we had secured GSD's signature for the City's site and assumed everything was moving forward. Has there been a response with a possible timeline or explanation? It seems pretty straight forward, the hold up is the lack of signatures. Let's get on a call today after 1pm. Is there a best number to call?

Thanks,
